The self-regulatory organization must provide all required information, presented in a clear and comprehensible manner, to enable the public to provide meaningful comment on the proposal and for the Commission to determine whether the proposal is consistent with the Act and applicable rules and regulations under the Act.

[Add](#) [Remove](#) [View](#)

The Notice section of this Form 19b-4 must comply with the guidelines for publication in the Federal Register as well as any requirements for electronic filing as published by the Commission (if applicable). The Office of the Federal Register (OFR) offers guidance on Federal Register publication requirements in the Federal Register Document Drafting Handbook, October 1998 Revision. For example, all references to the federal securities laws must include the corresponding cite to the United States Code in a footnote. All references to SEC rules must include the corresponding cite to the Code of Federal Regulations in a footnote. All references to Securities Exchange Act Releases must include the release number, release date, Federal Register cite, Federal Register date, and corresponding file number (e.g., SR-[SRO]-xx-xx). A material failure to comply with these guidelines will result in the proposed rule change being deemed not properly filed. See also Rule 0-3 under the Act (17 CFR 240.0-3)

Exhibit 4 - Marked Copies

[Add](#) [Remove](#) [View](#)

The full text shall be marked, in any convenient manner, to indicate additions to and deletions from the immediately preceding filing. The purpose of Exhibit 4 is to permit the staff to identify immediately the changes made from the text of the rule with which it has been working.

Exhibit 5 - Proposed Rule Text

[Add](#) [Remove](#) [View](#)

The self-regulatory organization may choose to attach as Exhibit 5 proposed changes to rule text in place of providing it in Item 1 and which may otherwise be more easily readable if provided separately from Form 19b-4. Exhibit 5 shall be considered part of the proposed rule change.

Partial Amendment

[Add](#) [Remove](#) [View](#)

If the self-regulatory organization is amending only part of the text of a lengthy proposed rule change, it may, with the Commission's permission, file only those portions of the text of the proposed rule change in which changes are being made if the filing (i.e. partial amendment) is clearly understandable on its face. Such partial amendment shall be clearly identified and marked to show deletions and additions.

The National Association of Securities Dealers, Inc., through its subsidiary, The Nasdaq Stock Market, Inc. ("Nasdaq"), is filing this partial amendment to SR-NASD-2006-094. On pages 8-9 and 16-17 of the original filing, please delete the text of the first two paragraphs of the "Purpose" section of the filing and replace them with the following:

Nasdaq is amending Rule 7010 to change fees associated with its web-based New Nasdaq Workstation ("NNW") and Weblink ACT products. Since the NNW's inception as a replacement for the Nasdaq Workstation II ("NWII") last year, the fee for the NNW has been \$435 per user per month, plus \$90 per month for data feeds included with the NNW, for a total cost of \$525 per user per month. Nasdaq is now reducing the fee to \$475 per user per month, including the cost of the data feeds provided with the NNW. The change is designed to enhance the competitiveness of the NNW in contrast to front-end applications provided by broker-dealers and service bureaus, and, as discussed below, also reflects decreasing demand for the product.
