

Production Testing Available - Saturday, March 1, 2025

Nasdaq Canada will be participating in the CBOE Canada system test scheduled for this weekend on Saturday, March 1st, 2025. Clients that utilize the Nasdaq Canada smart order router are encouraged to take advantage of this opportunity to also perform testing. Testing will result in messages generated on all production multicast market data streams. All market data and drop copy messages received during the testing should be ignored.
