Hint and answers on p. 17

## Your mission:

You and your character will travel to cities all around the world. Each location you go to is home to a Nasdaq office. Can you find all the hidden Nasdaq 'N's? They look like this:

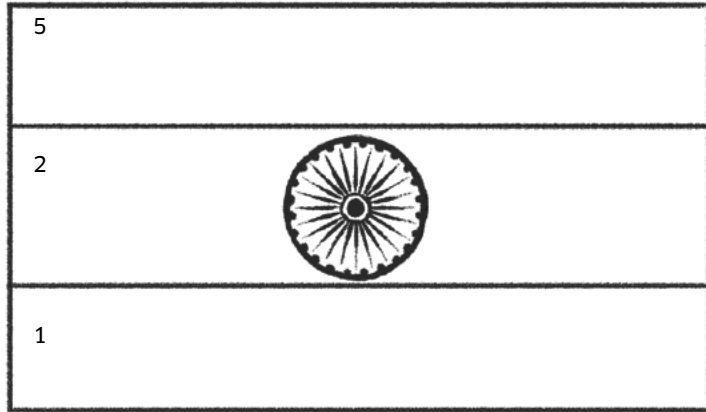

Don't forget to take your color by number key with you, so you can color in all the flags!

If you could travel  
anywhere right now,  
where would you go?

(draw it!)

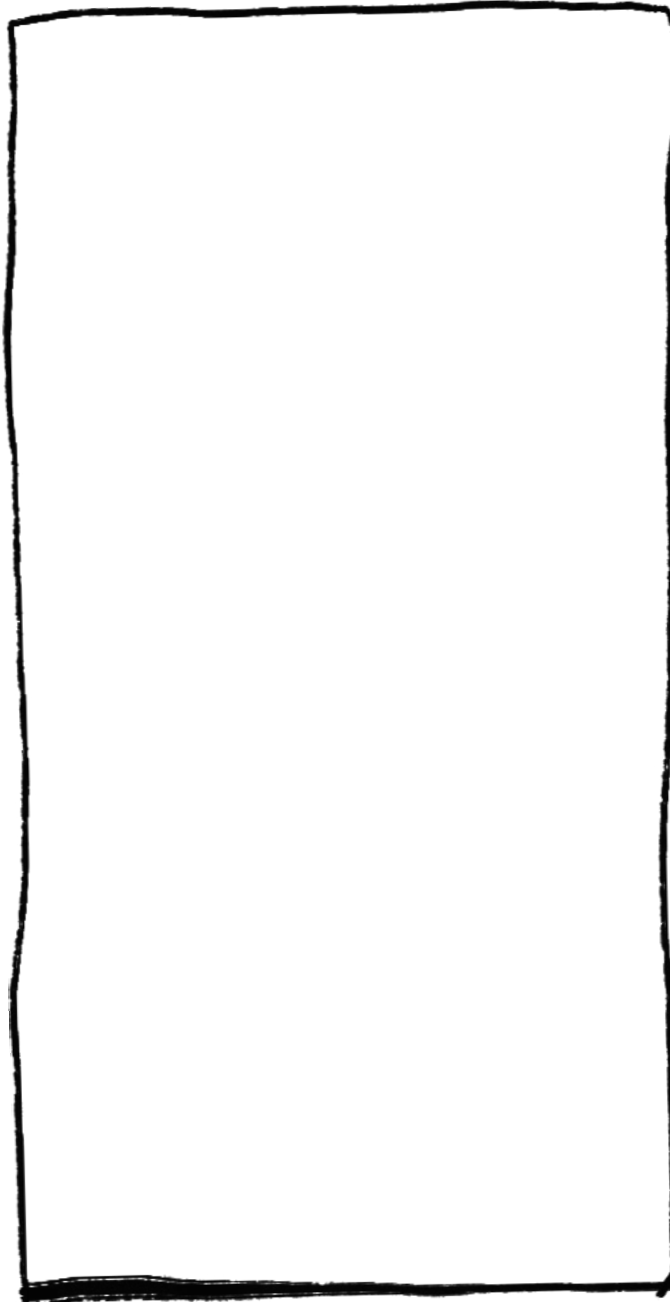

What food would  
you eat there?

(draw it!)

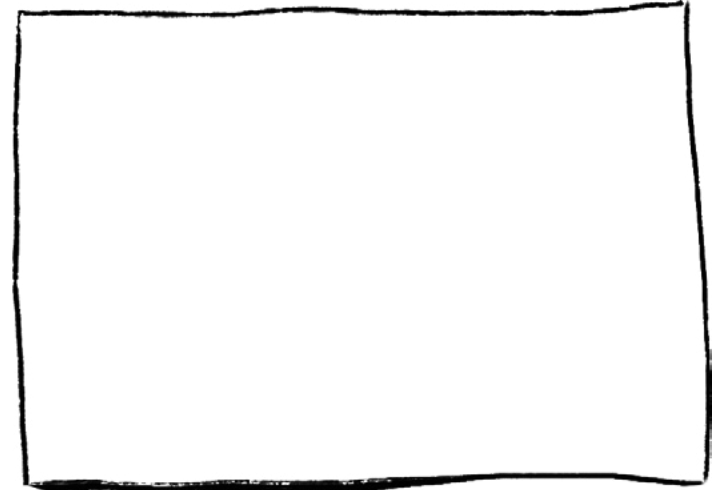

Who would you take with you?

(draw it!)

What is your favorite animal?

(draw it!)

Where does that animal live?

(write it down!)

What does that animal eat?

(write it down!)

Whats his/her name?

**Jonell Joshua**

*Illustrated the characters and accessories*

Instagram @jonell.joshua  
www.jonelljoshua.com

Jonell Joshua is an illustrator based in Brooklyn, NY. Her influences stem from her familial roots in Brooklyn, NY and teenage years growing up in Savannah, Georgia with her grandparents. Jonell has inherently been an artist since she can remember, drawing portraits of kids in the cafeteria in second grade.

Today, Jonell takes a simplistic, analog approach to create her world of visual storytelling and animation using mediums as simple as mechanical pencil, pens, and tracing paper. Her work has been recognized by The Society of Illustrators and American Illustration: International Motion Art Awards.

**J Yang**

*Illustrated Bangalore and Sydney*
