

OPEN SOURCE DISCLOSURE FOR NASDAQ BOARDVANTAGE® AND ITS ASSOCIATED APPLICATIONS

Dated: March 16, 2023

Corporate Solutions provides or makes available to Customer certain products and services identified below (the “Services”) that contain third-party components (“Open Source Components”) licensed to Corporate Solutions for use and redistribution under open source licenses (“Open Source Licenses”). In order to comply with the Open Source Licenses, Corporate Solutions is required to disclose certain information to Customer concerning such third-party components. This document (this “Open Source Disclosure”) contains a list of the third-party components incorporated into the Services, their associated Open Source Licenses, and any notices required by their associated Open Source Licenses. All capitalized terms not defined in this Open Source Disclosure will have the meanings set forth in the ordering document that governs Customer’s use of the Services (the “Service Order”), which contains a hyperlink to this Open Source Disclosure.

Services

- “Service Application” means the server-side software used by Corporate Solutions to provide the software-as-a-service version of Nasdaq Boardvantage.
- “Desktop Client” means Corporate Solutions’ proprietary desktop client that provides Customer with offline access to certain Customer Uploaded Content downloaded by Customer to its desktop or mobile device.
- “iOS Application” means Corporate Solutions’ proprietary software application designed to run on the iOS mobile operating system that provides Customer with access to certain versions of Nasdaq Boardvantage.
- “Android Application” means Corporate Solutions’ proprietary software application designed to run on the Android mobile operating system that provides Customer with access to certain versions of Nasdaq Boardvantage.
- “Surface Application” means Corporate Solutions’ proprietary software application designed to run on the Microsoft Windows operating system for Surface mobile devices that provides Customer with access to certain versions of Nasdaq Boardvantage.

Open Source Disclosures
