

# UN Global Compact Communication of Progress

The UNGC is a strategic initiative that helps companies align their business activities and strategies with ten universally recognized principles in the areas of human rights, labor standards, environmental protection and the fight against corruption. The table below summarizes where our responses to these disclosures can be found throughout Nasdaq's Sustainability Report and TCFD Report, and in our publicly available documents.

Human Rights Principles		Information Links
1	<b>Principle 1:</b> Businesses should support and respect the protection of internationally proclaimed human rights.	<a href="#">2024 Sustainability Report</a> , page 22 <a href="#">Human Rights Practices Statement</a>
